The most extraordinary discovery in the World is the Great Arabian Remedy for man and Beast.

H. G. FARRELL'S CELEBRATED ARABIAN LINIMENT

LVERY family should at once procure a bottle of the great Arabian remedy for man and beast, called H. G. FARRELL'S ARABIAN LINIMENT. It allays the most intense pains in a few minutes, restores the synovial fluid of joint water, and thus cures stiff joints; it penetrates the flesh to the bone, relaxes contracted cords, cures rheumatism and palsied limbs of twenty years standing; also tumors, swelled neck, enlargement of the glands, and is the best medicine for ailments of cattle ever discovered, curing sweeny, spavins, splint, and all diseases which require an external ap-Sun Pain of 10 years standing cured by H. G. Farrell's

Arabian Liniment.

Mr. H. G. Farrell - Dear Sir: I had been afflicted with the "Sun Pain" for the last ten years, and could never get relief execept by bleeding; but by the use of H. G. Farrell's Arabian Liminent, applied over the temples about three or four times a day, it was entirely removed, and I have felt nothing of it since. I went into the stable one night, to apply it to a horse's leg, and being very iame he stumbled and fell against my legs, crushing and bruising them so badly that they turned black as my lat, rendering them powerless. I applied your Liniment, and was well enough in a few days to go about again as usual. I also crushed my finger in a shocking manner, by letting a back log fall upon it; your Lin-iment soon healed it up, though. JOHN B. M'GEE. La Salle precinct, Peeria co., Ill., Feb'y 6, 1849.

[Esq. Barker, of New Canton, Ill., says :] Mr. H. G. Farrell's Arabian Liniment has cured some bad cases here, which every other remedy had failed in; one was a white swelling and contracted cords in the leg of a boy twelve years old. The leg had withered away, and was so contracted that he had no use of it. Three doctors had tried their skill upon it in vain, and he was fast sinking to the grace, when the boy's father was induced to try H. G. Farrell's Arabian Liniment. Before the first bottle was used up he came to Mr. B.'s store, and the first words he said were, "Mr. Barker, I want all that Liniment you have in the store; the one bottle I got did my boy more good than all that had ever been done before." That boy is now well and hearty, and has free use of his legs. It is good for sprains, bruises, cuts, burns and swellings.

Look out for Counterfeits! The public are cautioned against another counterfeit, which has lately made its appearance, called W. B. Farrell's Arabian Limiment, the most dangerous of all the counterfeits, because his having the name of Farrell, many will buy it in good faith, without the knowledge that a counterfeit exists, and they will perhaps only discover their error when the spurious mixture has wrought its evil effects. The genuine article is manufactured only by H. G. Farrell, sole inventor and proprietor, and whole sale druggist, No. 17 Main street, Peoria, Illinois, to whom all applications for Agencies must be addressed. Be sure you get it with the letters H. G. before Farrell's, thus—H. G. FARRELL'S and his signature on the wrapper, all others are counterfeits Sold by CARTWRIGHT & ARMSTRONG,

Extract from a letter from P. M. Cory, to H. L. Stewart, Esq., No. 187 Second Street, New York.

Dear Friend Stewart:—I have been home now just two months. When I hast saw you I had but little hopes of ever getting any better. But I have now the pleasure of thanking you for recommending me to take Dr. Rogers' Syrup of Liverwort, Tar, and Canehalagua. I goff dozen bottles of it and took home with me, determined to make a fair trial of it, as I had done with everything else. I have only taken four bottles of it, and I must say it has done me more good than any other medicine I have ever taken. On my first taking it, it increased the expectoration, and I raised a great deal of bloody matter from my lungs. But that has now ceased, and so has my cough, nearly. I cough but little now, and expect soon to be entirely free from it. I consider it an invaluable medicine, and shall recommend it to all who are afflicted with a cough or diseased lungs.

I let a young lady, who had the Consumption, and had bled a good deal from the lungs, and doctored several months with our Physician, but grew worse, have a bottle of it, and it cured her. It acted almost miraculously in her case.
Your sincere friend, F. M. CORY.

Bleeding at the Lungs Cured! SEE HOW PROMPTLY IT ACTS! Statement of Mr. A. Lang, Baker, No. 388 Pearl street, N. Y.—A few days before last Christmas I was taken unwell, and soon commenced bleeding freely at the Lungs. I called in a Homospathic physician, but his medicine did not seem to help me. I read your advertisement, and thought I would try Dr. Rogers' Syrup of Liverwort, Tar, and Canchalagua. Before I had taken up the third bottle, my bleeding had stopped, my cough was gone, and I felt well as usual. My health is now good. I consider it a most excellent medicine, and cordially recommend it to my friends. [This statement

was made to the proprietors, March 12th, 1850.]

MOULTON, ALA., July 20, 1851.
Dr. Chas. Williams—Dear Sir,—I embrace the present opportunity of addressing you a few lines relative to your Fulmonic preparation of Wild Cherry, which you have introduced to the notice of the public. I have all my life been opposed to all secret remedies, but after my interview with you last Spring, and from the information you imparted to me relative to the ingredients of which your excellent preparation is composed, I felt no hesitation in trying your preparation in my case, and am pleased to say it fully justified the favorable impression I had entertained of its efficacy in affections of the Lungs. I also prescribed your preparation to many of my patients with the greatest success. I am also informed by my friend Dr. Jenkins, of Hillstoro' that he has found it in his practice to be a most valuable Anothre Expectorant in all cases that have been under his observation. I would suggest to you the propriety of having your agent always fully supplied in this place, as I found that your agent here had entirely sold out all you had forwarded him. I take great pleasure in recommending your valuable preparation as a most efficient remedy in all Pulmonors Affections and the best Anodine Expectorant with which ! am acquainted. If you think this will be of any benefit to you, you can use it in such a manner as you may think advisable. J. W. HICKEY, M. D. Most truly yours,

Dear Sir:-For three years I have been afflicted with a Cough, so distressing that I frequently dispaired of recovery; much of the time I was obliged to sit up all night in my chair, as my cough would suffocate me when I laid down. Having used many remedies without much relief, I at last tried the CHERRY PECTORAL which under Providence has cured me altogether.

JAMES M'CAMBLESS. This is one of the numerous Cures of Asthma which have been accredited to Cherry Pectoral DR. AYER, Lowell. DEAR SIE: I have for years been afflicted with Asthma in the worst form, so that I have been obliged to sleep in my chair for a larger part of the time, being unable to breathe on my bed. I had tried a great many medicines, to no purpose, until my physician prescribed, as an experiment, your CHERRY PECTORAL.
